

# FLITE LOGISTICS

... A HIGHER LEVEL

*Flite Logistics*..... continues to soar to new heights within the chartered aircraft industry. Bringing experience and operational excellence along with financial strength to every aspect of its business, Flite Logistics is positioned for expansion. With a simple handshake, long lasting relationships are built upon a foundation of honesty and integrity.

Travel on private aircraft is becoming increasingly complex with demanding time limitations placed on an executive's schedule or supporting customers with special health considerations. Each day, we ask, *"What may we do differently?"*

**Most importantly.....we listen.** Through strong alliances with key partners, active leadership, combined with valued team members, Flite Logistics will find the best customer solutions for private jet travel.

**Every day, Safety is our highest priority.**

.....*"Throughout my government service, and particularly as Secretary of State, I traveled extensively throughout the United States and the world, I can say with assurance that Victoria Collom is an outstanding professional in the field of Private Aviation.*

*She has coordinated numerous flights for me to attend educational conferences, business meetings, and family gatherings*

.....*maintains the highest standards of competence, discretion, concern for safety, and attention to detail."* June, 2014
